

- 1) This is a look that the LA Clippers used to get JJ Redick an open 3 vs. the BKN Nets the other night
- 2) Their point guard dribble the ball down the right FT line extended to prepare for a ball screen.

- 1) The point guard got a ball screen from Blake Griffin who do not hedge on the screen at all.
- 2) As that action was occurring, the opposite wing curled into the lane. This action caused x5 to play soft in the lane.

- 1) With x5 in the lane, now Redick is free to come off the opposite screen for an open 3.
- 2) Deandre Jordan set an effective screen outside the lane which popped one of the NBA's best shooters open.
