

- 1) Parker is big versatile forward that can be used in many areas on the court.
- 2) Here in this set, the LA Sparks put her in the pinch post position in the "Horns" set. She receives a entry from Kristy Toliver.

- 1) In this frame, Toliver will come over the top of Parker causing the defense to react to this action.
- 2) At the same time, the opposite post is flashing to the block. This could create a quick hi-lo feed especially if x5 gets caught sleeping.

- 1) With the action moved to the left of the court, Parker quickly turns the corner into the lane.
- 2) Here is where Parker is at her best. She can score in the lane or she can act as a facilitator for her teammates around her.
- 3) Here x2 slid over to stop penetration and Parker found the open shooter in the corner.
