

- 1) The Timberwolves ran this in the 2013-14 season to get action for their post play in the middle 1/3 of the floor.
- 2) This action really opens up the lane.

- 1) After 5 has received the pass, 1 will go set a down screen for 2 in the corner. 2 will come get a handoff from 5 around the elbow area.
- 2) While this is happening, 4 will go set a down screen for 3.
- 3) **Coaching Point:** This opens up the middle 1/3 of the floor.

- 1) With 2 in the middle 1/3 of the floor, he is free to make a play in the middle of the floor.
- 2) With 5 just giving the handoff, he will slip to the rim perhaps for a finish.
