

- 1) Coach Thom Thibedau & the Bulls are still competing & playing hard although they have been decimated by Derrick Rose's injury & Luol Deng's trade.
- 2) They like to run a lot of Horns' sets by bringing their posts to the elbows.
- 3) Here they have their point guard throw the ball to the 4 player and then make a basket cut.

- 1) This is a great counter to the flex out of the horns set, because **x2** could be anticipating the on coming baseline screen.
- 2) 2 immediately cuts towards the ball which now puts them out of position.

- 1) 5 turns to set a screen on the block for 1. He turns to get a wider angle which sets up the slip.
- 2) Notice on the other side that 4 sets a screen away from the ball which clears out the helpside.
