

SHOOTER: GOLDEN STATE HORNS

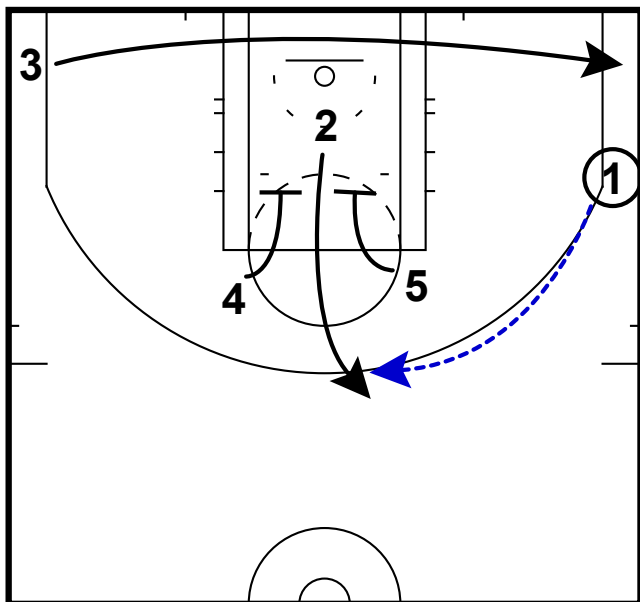

- 1) Here is another option to get a shooter open for a jumper out of the Horns look.
- 2) This is an option that Golden State Warriors got for **Klay Thompson**.

SHOOTER: GOLDEN STATE HORNS

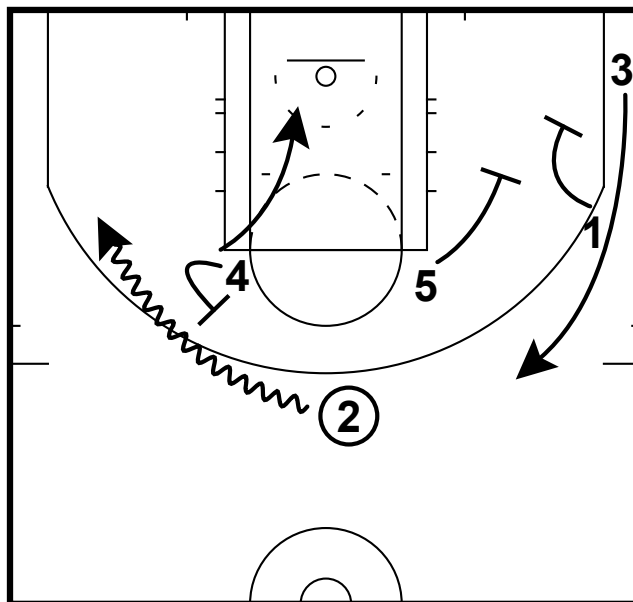

- 1) Stephen Curry makes a pass to the post player along the arc and then makes an immediate basket cut.
- 2) He then turns to the ball side and sets a baseline screen for Thompson.
- 3) This is a good option for Curry to shoot a three if Curry's man helps on the screen.

SHOOTER: GOLDEN STATE HORNS

- 1) With **Curry** on the wing with the ball, **Thompson** will now go through an elevator screen around the free throw line.
- 2) The opposite wing, **Andre Iguodala**, runs baseline.
- 3) **Thompson** is good enough to catch, turn & fire very quickly at a high percentage.

SHOOTER: GOLDEN STATE HORNS

- 1) However if the defense defends this initial action well, there is another option off of this.
- 2) **Thompson** can immediately run the pick-n-roll with **David Lee** at the top of the key.
- 3) The action on the backside has **Iguodala** coming off of a double screen.
