

HALF-COURT: TENNESSEE STACK BACKSCREEN

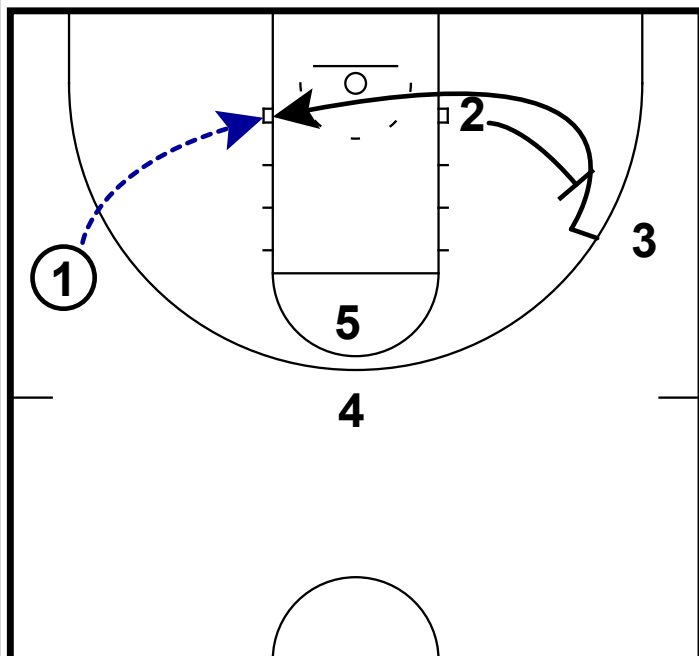

- 1) Coach Cuonzo Martin is leading a resurgence of Tennessee Basketball lately.
- 2) Here is a set that he ran vs. LSU early in the 2014 calendar year.

HALF-COURT: TENNESSEE STACK BACKSCREEN

- 1) What we saw him do in this set was to stack the two post players near the FT line.
- 2) The other two wings were lined up away from the ball.
- 3) 4 rubbed off of 5 at the top of the key, really as a diversion.

HALF-COURT: TENNESSEE STACK BACKSCREEN

- 1) 2 set a backscreen here for 3 and was able to get a good look at the bucket.
- 2) 2 should be your best shooter so if the defense does help on the cut, 2 will be open on the ball reversal (see frame 4)
