

HALF-COURT: TRAIL BLAZERS UCLA FLEX

- 1) This horns look from the Portland Trail Blazers.
- 2) This action starts with the ball being thrown to the wing.

HALF-COURT: TRAIL BLAZERS UCLA FLEX

- 1) Once the pg throws the ball to the wing, he runs off of a UCLA screen into the lane.
- 2) Then the opposite wing runs off of a baseline screen from 1.

HALF-COURT: TRAIL BLAZERS UCLA FLEX

- 1) 4 makes a 2nd cut to the perimeter and then reverses the ball to 1 on the other wing.
- 2) This flex action would allow a good shooter an open look at the arc.

HALF-COURT: TRAIL BLAZERS UCLA FLEX

- 1) If the flex action does not bring an open shot for 1, this could take you right into a 2 man game option.
- 2) As long there is action on the weakside to occupy the helpside, 1 & 5 can perform a pick-n-roll.
