BOB: Florida STACKS

①

This is a nice BOB that Florida ran in their final game against Kentucky. They start in a double stack set on the elbows. The 2 loops tight around the 4 and 5 looking for a quick lay up. If he does not get it he goes through to the opposite corner.

Once the initial action takes place then the 4 and 5 set a double stagger for the 3. The 3 is looking to catch and get a quick shot.

If the 3 does not have a shot. The 4 spaces out and the 5 will screen for 1. 3 passes to 4. 1 has the option to curl off 5's screen as well.

4 now passes to 1. Once this action takes place Florida is now in the half court offense.
