

BOB: THUNDER PLAYOFF DOUBLE

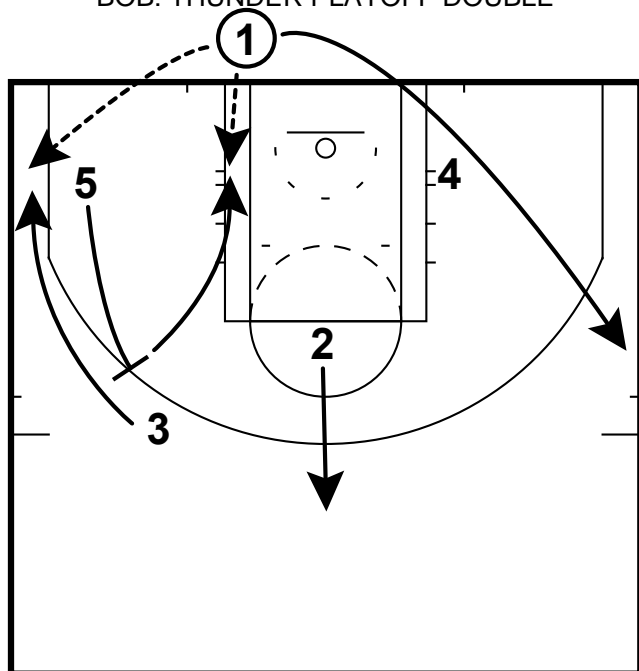

This BOB was ran by the OKC Thunder the other night against the Memphis Grizzlies. This BOB is designed to get Kevin Durant an open shot. Durant is in the 3 spot. The 5 will start on the ball side block and go screen for the 2. The 2 comes off the screen and goes to screen the 3 man. 4 will also go screen for the 3. Durant in the 3 spot cuts hard off the double looking to score.

If the 3 is not open then the 2 will turn and screen for the 4 man. The 1 will look to pass to the 4 for an open basket.

BOB: THUNDER PLAYOFF DOUBLE

The third layer provides two more scoring options. The 2 becomes the safety after he screens for the 4. If the 4 is not open then the 5 will turn and screen for the 3. After the screen then the 5 man will roll hard right to the ball. The 1 will clear out rubbing right off the 4 man.
