

HALF-COURT: HAWKS SCREEN/SCREENER

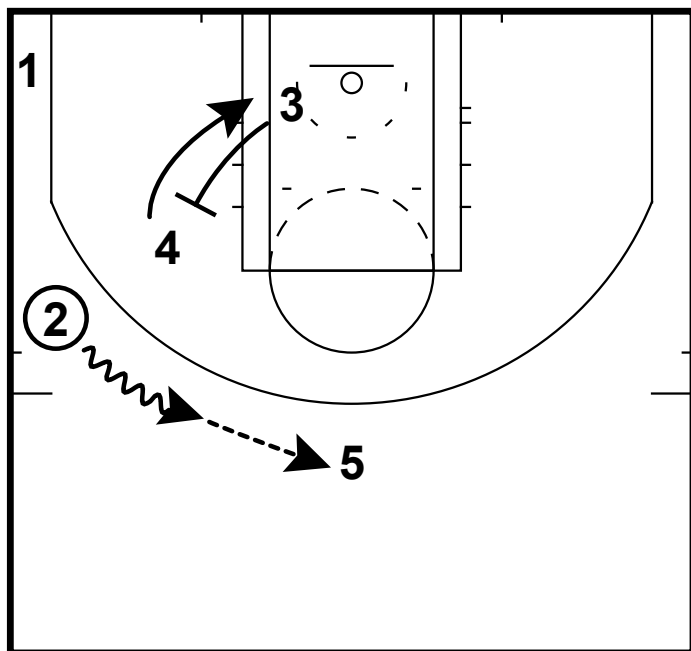

Here is a good screen the screener set the Atlanta Hawks used in their first playoff game against the Indiana Pacers. As you can see the 4 starts on the left elbow and pops out. He will get a pass from the 1. After the 1 passes he will go screen for the 2 in the corner. The 3 man in this set is Kyle Korver. He cuts over to the left block. 5 rotates over.

If the 4 is not open then the 5 will dribble the arc to create better space. The 2 will now go screen for the 3 man. The 3 should have a wide open shot. The 4 will space over to the right block looking to post up.
