

BOB: HEAT DOUBLE BOX

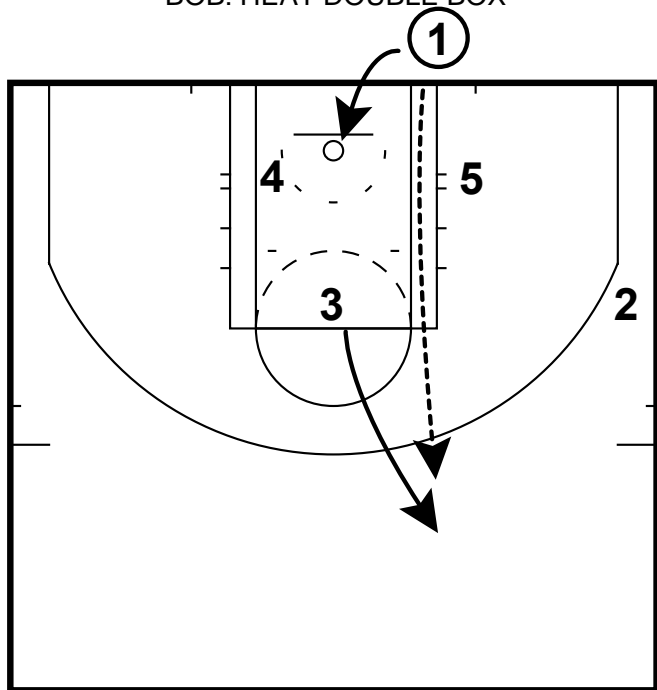

Here we have a BOB set out of a box alignment from the Miami Heat with multiple scoring options. They ran this in game 1 of the playoffs. Here you can see that the 2 is cutting hard off a double screen by the 4 and the 5 men. 2 is cutting and looking for a quick shot if open.

If the 2 is not open then the 3 is screening for the 4 man. This is the second option in this look. The third option is the 5 man cutting back to the ball after 2 comes off his screen.

After the 3 screens he becomes the safety.
