

SHORT SECONDS: LOUISVILLE (W) ELITE 8 '14

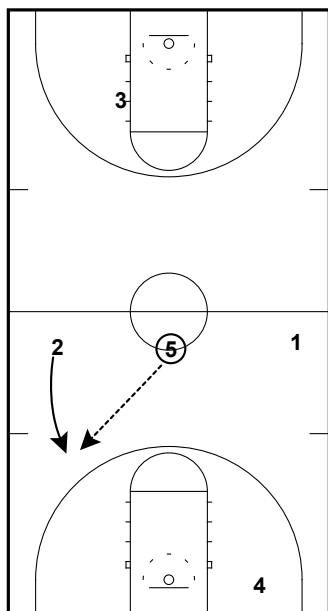

- 1) With 3.5 seconds left & down 3 points to go, Jeff Walz drew up this play after Maryland called timeout.
- 2) This play reminds us of the old Valpo play from years ago. However, this play starts differently as Walz had his guards cross in the front court.
- 3) This action actually freezes the defenders & creates separation later on.

SHORT SECONDS: LOUISVILLE (W) ELITE 8 '14

- 1) The crossing action was not intended to get the ball inbounded here - instead they flash thier post player to the half-line.
- 2) Here Sara Hammonds was able to throw a baseball pass & complete the pass near the half-line.
- 3) The guards then begin to break towards the front court.

SHORT SECONDS: LOUISVILLE (W) ELITE 8 '14

- 1) With the post player with the ball, Shoni Schimmel breaks to the arc with her defender behind her.
- 2) Shoni caught the pass in stride & had an open look at the bucket. Unfortunately for the Cardinals the shot did not fall, but once again illustrated how good Walz with the pen in his hands.
