

- 1) This zone set starts with a double stack with the posts on one side & the guards on the other.
- 2) The ballside 4 player breaks to the wing, while the one guard cuts ball side corner & the other cuts to the wing.

- 1) Now you have created an overload on this side & the ball will immediately be swung back to the top of the key.
- 2) It is good to have 2 as a shooter so that x3 will cheat to the corner.

- 1) 4 immediately sprints to the screen the middle man of the zone (x5) & 5 will curl to the middle of the lane.

- 1) A counter to prepared for in this is that the zone may collapse on 5 in the lane. Teaching your 3 player to spot up & find the open passing lane is critical.
