

NY KNICKS: SUMMER LEAGUE 3 OUT 2 IN

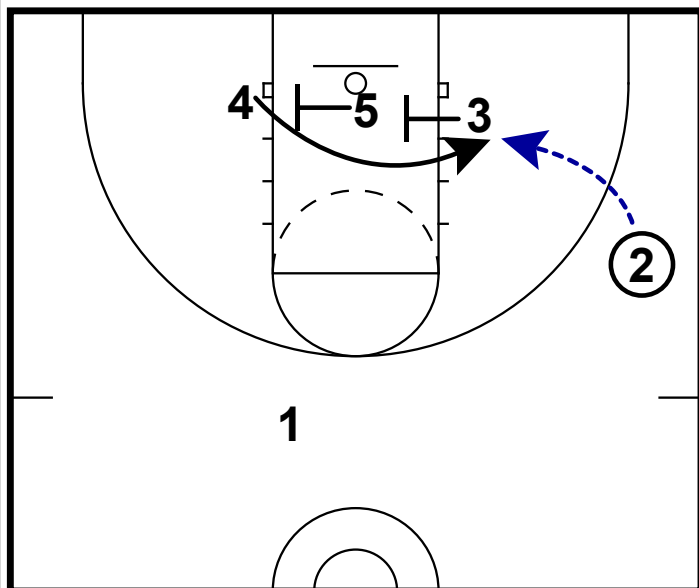

- 1) Here is a 3 out 2 in offense from the NY Knicks in their summer league games.
- 2) 2 will set a pin screen for 4, which allow 4 to set a ball screen for the PG.
- 3) The purpose here is prevent **x4** from hard hedging the ball screen.

- 1) Once the the screen happens, this allows 4 to roll hard to the bucket.
- 2) On the opposite side, 2 will receive a double screen from the post and opposite wing.
- 3) The PG has the option of hitting 4 on the roll or reversing the ball to 2.

NY KNICKS: SUMMER LEAGUE 3 OUT 2 IN

- 1) Now with the ball on the wing, this allows for a double screen to happen in the post for 4 who just rolled hard to the bucket.
- 2) This puts a lot of pressure on **x4**, because he has to guard multiple actions.
