

2015 HS ELITE 100: #9 THOMAS BRYANT

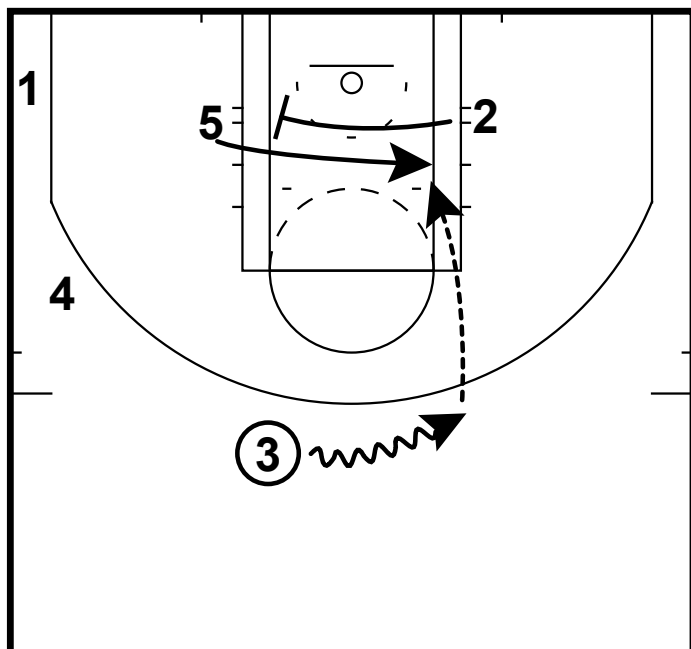

This set is from the Clippers. This is some great handoff into backscreening action. They ran this many times with Deandre Jordan in the game as the 5 man. We feel that Thomas Bryant is similar in skill to Jordan. 1 and 3 will exchange in a dribble handoff. After the handoff the 1 will clear to the corner.

4 will come ball screen for the 3. 3 will dribble the arc off the screen. 4 pops out after he screens.

3 continues to dribble the arc. Why this is happening the 2 will cross screen for the 5. 3 will hit 5 if he is open.

If the 5 does not have a quick basket. The 2 can go back screen for the 4 man.
