

2015 HS ELITE 100: #3 Malik Newman

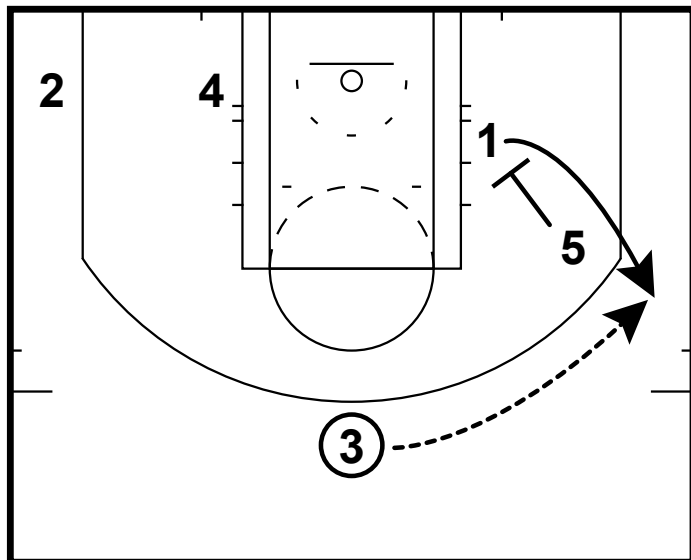

This set comes from the Brooklyn Nets and is designed to get Derron Williams a couple open looks. We feel this is a set that will fit Malik Newman's skill set. They align in the horns set and call this play "elbow". 1 passes to the 5. The 1 will get a flare screen from the 3. 5 can hit the 1 if open off screen. If not the 1 will cut to the basket.
