

BOB: HUBIE BROWN :02

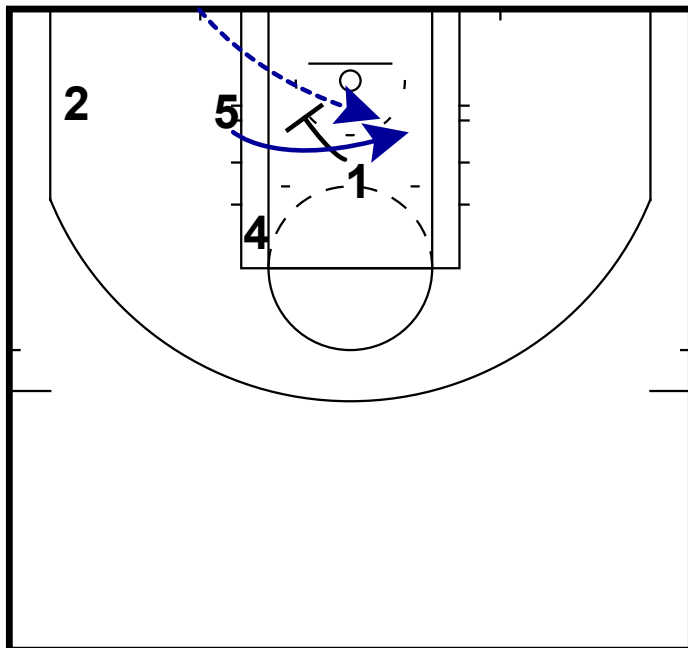

3

Here is a quick hitter designed for a lob play with short seconds on the clock. 2 clears to the corner & 4 clears from the block to the elbow. 1 should cut right off of 4's butt, this should create some space for the next frame.

BOB: HUBIE BROWN :02

3

1 comes in from behind to set a screen. 5 should roll right to the mouth of the rim. Cutting with his hands up and keep the ball high on the catch.
