

HALF-COURT: DUKE ISO OKAFOR

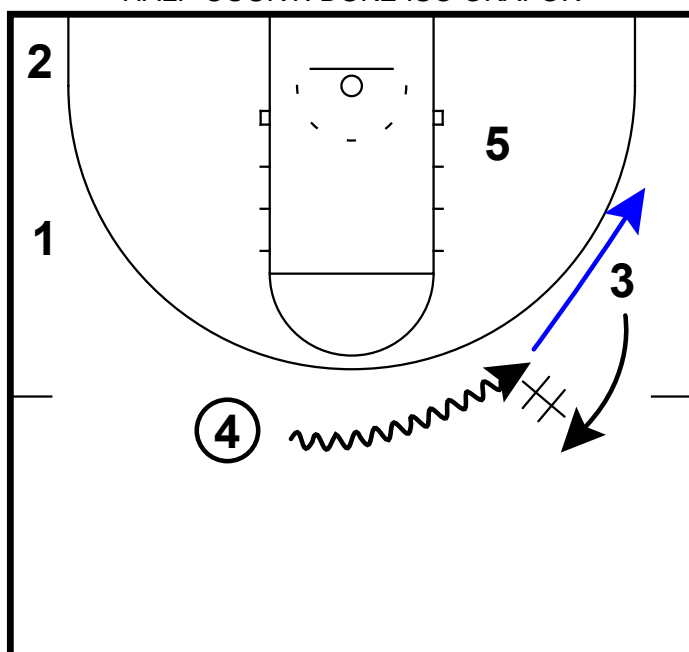

It is no secret that Jahlil Okafor is one of the top big men in the country. Many will argue that he is the best. Duke does a nice job of making sure he gets good looks around the rim. They get early movement in their offense and keep the floor spread for their playmakers. This creates space around the rim for Okafor.

HALF-COURT: DUKE ISO OKAFOR

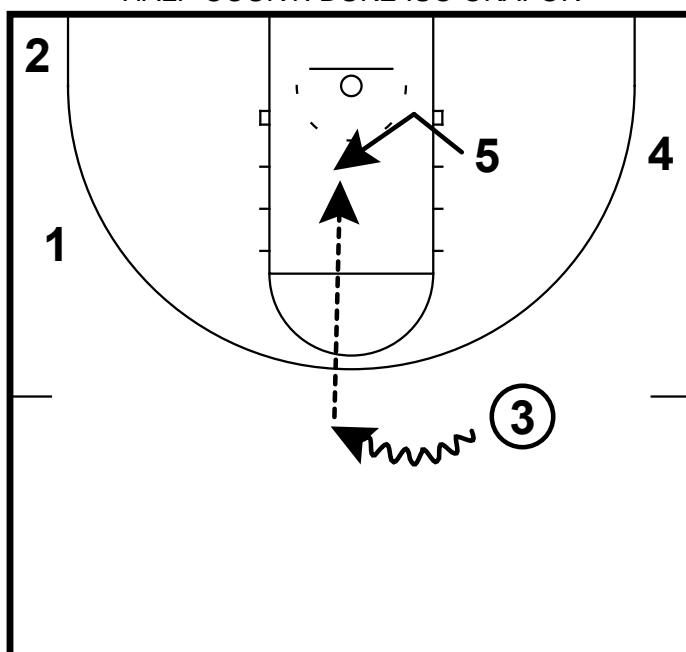

1 passes to 4 and cuts through  
2 and 3 change sides of the floor  
3 will cut to the wing

HALF-COURT: DUKE ISO OKAFOR

4 and 3 will exchange a dribble handoff  
4 will space out

HALF-COURT: DUKE ISO OKAFOR

3 dribbles to get a better passing angle  
As 3 dribbles 5(Okafor) will take his defender low before he seals him off right at the rim.  
If they double on 5 then he will kick to an open shooter
