HALF-COURT: KENTUCKY TOWNS

Karl-Anthony Towns is considered a top 3 big man in the country as a freshman. After watching some film on the 6'11 post I would consider him the best one overall and would predict he will be a top 2 pick in the NBA draft this summer. Here is a set that Kentucky runs to get him the ball at the rim. In this play Towns is the 4 man.

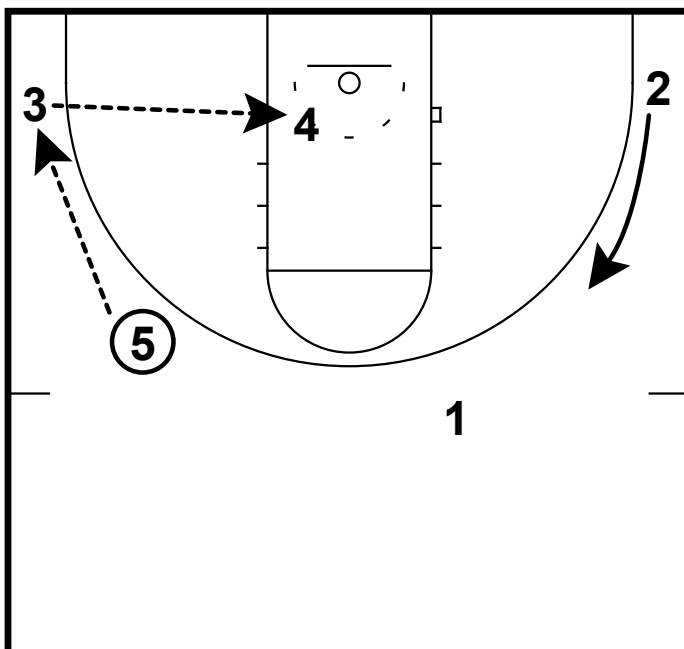

3 curls off a double from th 5 and 4.
