HALF-COURT: BUCKEYE HORNS

Here is a horns set I picked up while watching film on the Ohio State buckeyes the other day. This can also be ran out of a box or 1-4 high set as well.

2 rubs off 5 and 4 over to left wing
 1 passes to 2 and spaces to right wing
 3 gets depth moving to the block

HALF-COURT: BUCKEYE HORNS

3 sets a back screen for 5
 4 then screens for 3
 2 looks for 5 or 3 coming off screen up top
