NBA: BLAZERS HORNS 2 MAN GAME

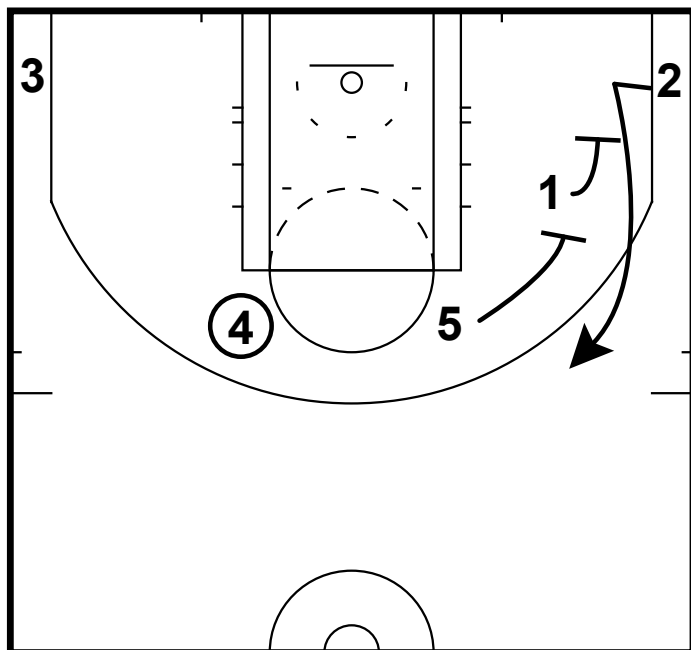

The Blazers usually run this after their secondary action. With Lillard at the top of the key, he would enter to one of the post players near the elbow.

NBA: BLAZERS HORNS 2 MAN GAME

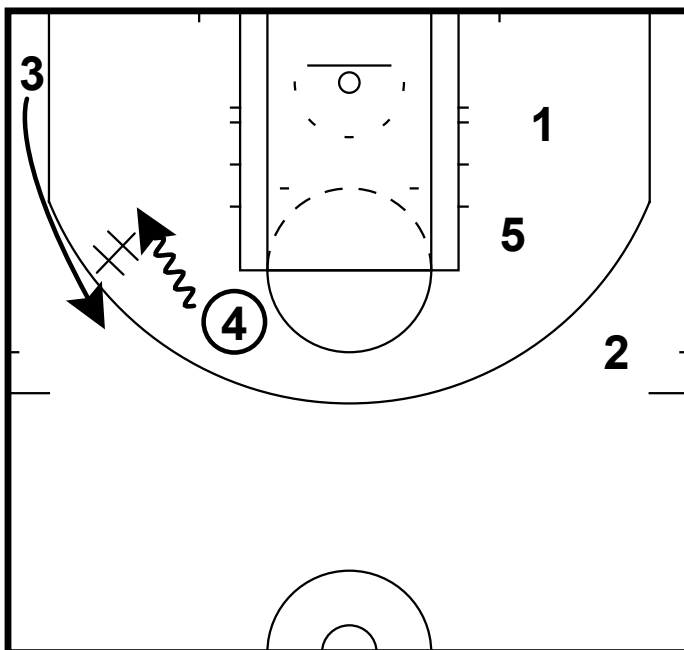

After Lillard enters the ball to the post he receives a back screen from the opposite post player. This is usually a distraction, but it can yield a cheap bucket early if ran quickly.

NBA: BLAZERS HORNS 2 MAN GAME

Once Lillard comes off the back screen, they get a double away for the SG. Again, this can get your shooter a look if the defense jumps hard to the ball.

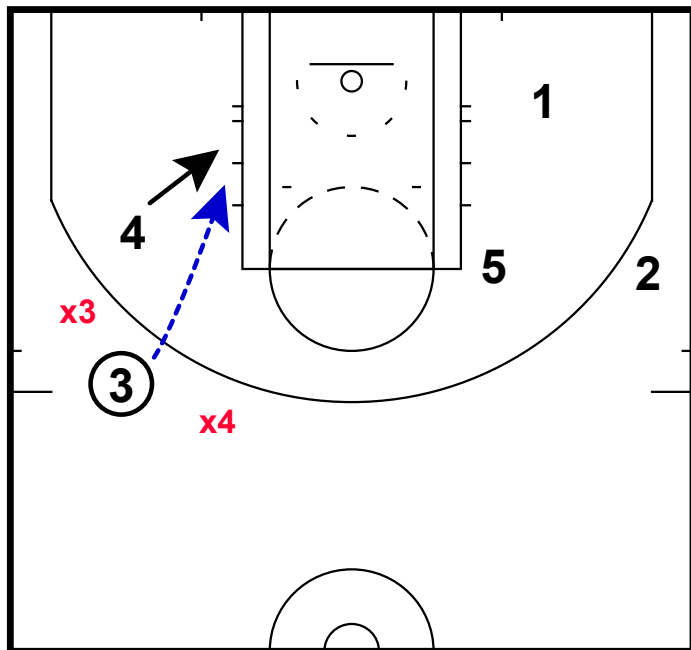

NBA: BLAZERS HORNS 2 MAN GAME

This flows into a two man game on the ball side with the PF dribbling towards the SF.

NBA: BLAZERS HORNS 2 MAN GAME

In this game, Mason Plumlee's defender hedged the handoff hard, which opened up a nice pocket pass for Plumlee to finish on the move.
